"Cornerstone Church of Aurora" Announced

During our previous Regular Business Meeting, we proposed a new church name, Cornerstone Church of Aurora. As we feel that this name will better represent our church to our community, we believe that now is the time to initiate this change. This name will be voted upon at our next Regular Business Meeting after the first of the year, as changing our name involves amending our church constitution. Please pray as we consider the public communication of this change, the legal requirements for change, and a new church logo. If you have any questions or comments, please see Pastor Drew one of our church's elders.
